

Best Friends Farm

Animal Sanctuary and Rescue

BEST FRIENDS FARM VOLUNTEER OPPORTUNITIES

1. **Cleaning barn:** Sweeping up manure into the manure pile.
2. **Walking around pasture/grounds:** Collecting trash (trash periodically resurfaces from the ground with horses' hooves) and potentially dangerous objects such as branches or rocks.
3. **Cleaning out water troughs:** Refilling with fresh water.
4. **Ensuring that animals have access to fresh hay.**
5. **Picking up manure from pasture:** Placing into the manure pile.
6. **Grooming horses, goats.**
7. **Cleaning chicken coop:** Picking up droppings daily, changing out pine shavings weekly.
8. **Collecting eggs from nesting boxes.**
9. **Cleaning water containers in chicken coop:** Refilling with fresh water.
10. **Providing chickens, ducks, turkeys with chicken scratch.**
11. **Cleaning out water containers in rabbit enclosure:** Refilling with fresh water.
12. **Refilling rabbit food pellets:** Providing fresh timothy hay.
13. **Providing socializing opportunities for all animals:** Spending time petting them.
14. **If allowed, assisting with social media/outreach:** Helping the non-profit be more visible.
15. **Assisting with minor repairs and maintenance:** Helping fix fences, gates, and structures as needed.
16. **Helping with planting and maintaining a small garden:** Growing vegetables or herbs for the animals.
17. **Organizing and participating in educational workshops:** Teaching visitors about animal care and sustainable farming practices.
18. **Assisting with event planning and execution:** Helping organize fundraising events or farm tours.
19. **Monitoring and reporting animal health:** Observing animals for any signs of illness or injury and reporting to staff.
